Flames of the Forest is the largest permanent off-site event venue in Tropical North Queensland — set within a secluded valley of ancient Wet Tropics rainforest, just ten minutes from Port Douglas.

Protected from the elements with a permanent marquee structure, the venue transforms into an elegant rainforest ballroom — hundreds of flames on ornate candelabras, thousands of tiny lights sparkling in the canopy, the sound of cicadas and a rolling mountain creek as your soundtrack.

From the sophistication of a gala awards dinner to the energy of a celebration night with fire, music, and spectacle — this is a completely immersive experience that delivers impact your delegates will not forget.

No noise restrictions. No curfew. No other guests.

Just your people, the forest, and the freedom to make it yours.

Every conference has a gala dinner. Flames exists to be the gala dinner your delegates are still talking about at the airport the next morning (for all the right reasons..)

Complete privacy and exclusivity.

No noise restrictions — bands, DJs, speeches, standing ovations.

A digital detox — no phone signal means your guests are truly present.

Full AV capability for awards, presentations, and production.

We take the hard work out of planning by coordinating transfers, menus, entertainment, AV, and styling through our network of skilled local vendors — or we work seamlessly alongside your production team.

“Expectations were blown away with the theming, entertainment, quality of staff and amazing surroundings. You’ve been a pleasure to work with and your staff were a delight.”
