Tucked within a secluded valley of ancient Wet Tropics rainforest, just outside Port Douglas, Flames of the Forest is Australia's most extraordinary wedding venue.

Imagine your guests stepping off a coach into a candlelit rainforest path, the sound of cicadas and a mountain creek rising around them. Hundreds of flames dance on ornate candelabras. Thousands of tiny lights sparkle in the canopy above. And there, in the heart of it all, your celebration is waiting.

This is not a hotel ballroom dressed to look like somewhere else. This is the real thing — a living, breathing venue that cannot be replicated, and a night your guests will never stop talking about.

*Your wedding will be the only event in the rainforest that evening.*

*Total privacy. Total exclusivity. No noise restrictions.*

Your wedding package includes a hosted beverage service by default. But we know every couple is different — so we offer flexible alternatives to suit your preferences and budget.

### *Hosted Beverage Package*

Included in your per-person package pricing. A curated selection of quality Australian wines, beers, and soft drinks served throughout the evening.

### *Cash Bar*

Beverage package removed from per-person cost. A bar staffing fee applies and guests purchase drinks individually. Keeps your costs contained while still offering a full bar service.

### *Hybrid Bar*

The best of both — hosted beverages for a set period (such as arrival drinks and dinner service), then transition to a cash bar for the remainder of the evening.

### *Hosted Tab (Consumption Based)*

You set a budget, we run a tab. Final consumption is billed post-event, and you can cap your spend in advance.

Minimum spend applies: 30–50 guests \$3,000 | 50–100 guests \$5,000 | 100–200 guests \$7,500.
