Tucked within a secluded valley of ancient Wet Tropics rainforest, just outside Port Douglas, Flames of the Forest is Australia's only rainforest dining experience.

Your guests will be transported into a world beyond imagination — a candlelit cathedral of trees, alive with the sounds of the tropical night. Hundreds of flames dance on ornate candelabras, thousands of tiny lights sparkle in the trees, joined by the song of the cicadas.

This is not a function room with a view. This is a living, breathing venue that cannot be replicated anywhere else in the country.

Your group will be the only guests in the rainforest that evening.

No other bookings will be accepted alongside yours.
